While nothing in these unprecedented times is guaranteed, the Phillips County Fair continues celebrating the community and bringing folks together for fun and entertainment. The Fair brings a sense of togetherness and drives home a cohesive community feeling, while recognizing the hard work and efforts of our youth. "Raisin' The Steaks!" recognizes and celebrates the heritage that helped grow this county to what it is today. We look forward to a barn full of 4-H and FFA livestock, an exhibit building filled with 4-H and community exhibits and the buzz of excitement that comes with the special events and getting together with friends and family. A special thank you to the sponsors, volunteers, leaders, participants and patrons. Your dedication and drive to bring out the best that Phillips County has to offer is the what makes a successful, fun-filled fair for the whole herd. The use of these drugs is considered physical abuse and will be enforced through the general rules and requirements of rule number 2.

It is the exhibitor's responsibility to declare (in written form) any veterinarian's prescribed medication to show management prior to show's start.

The full use of modern therapeutic measures, including phenylbutazone for the improvement and protection of the health of the horse, is permitted, unless the treatment may also stimulate or depress the circulatory, respiratory, or central nervous systems.

It is the responsibility of the parent or guardian of the 4-H member to see that the headgear worn complies with such standards and is in good condition.
