EXTENSION

Colorado State University, U.S. Department of Agriculture and Kit Carson, Phillips,
Sedgwick, Washington, and Yuma Counties cooperating.

Extension programs are available to all without discrimination.

HOME ECONOMICS AND GENERAL PROJECTS

Interview Judging will be **Tuesday, July 18th** at the Events Center for all Home Ec. and General 4-H Projects (except Foods & Cake Decorating). One parent/leader may be present to observe judging. Foods & Cake Decorating interviews will be held during fair on Tuesday, July 25th.

Please bring your project AND record book to your interview. Interview schedules will be mailed out soon. Be sure to show up on time, look nice and be prepared to discuss your project with a judge.

Record Book: Be sure to use the 2022-23 version of the state e-Record. There are specific recordbooks for certain projects and some will include a supplement page(s). Use any sturdy binder with fasteners or three rings to secure your records. You can purchase a 4-H record book cover from the Extension office for \$3. Please put your name, age, project, and unit on the front cover.

Exhibit: To find the requirements for your exhibit, look at the state fair requirements here: <https://co4h.colostate.edu/statefair/StateFairExhibitReq.pdf>. This will tell you exactly what your exhibit should consist of.

Scan here for Exhibit requirements!

Members must be interviewed with their projects to be eligible for project champions. If a member cannot be interviewed due to an unavoidable scheduling conflict, a written interview questionnaire (Absentee Interview Form) must be completed by the member and turned in with the eRecord and project on or before judging day. This written interview will allow the project to be considered for unit placing and participation at State Fair.

For questions about interview judging, or to request an absentee interview form, contact the Extension office at 345-2287.

PROJECTS MUST BE LABELED

All General and Home Ec project exhibits **MUST** be labeled with name, age, county, project and unit of the 4-H member. Information **MUST** be written or typed on a label and securely attached to your exhibit.

Labels for Clothing & Heritage Arts are available from the Extension Office and must be attached at the garments or items. This will assist in identifying exhibit items and getting them displayed accurately.

Example: John Doe (12 yrs.)
Washington County
Woodworking Unit 3 - Intermediate

FASHION REVUE

4-H & Open Fashion Revue will be on **Tuesday July 18th at 6:00 p.m.** at the Washington County Event Center. Fashion Revue is open to 4-H members, cloverbuds, and any youth that have an interest in fashion or modeling. Everyone is encouraged to participate! Practice will be held July 17 at 2:00 p.m.

Open Class Clothing - Child, Youth & Teen age groups will be judged separately. Models may wear one or more garments home sewn by self or other person, or decorated ready-made garments. Classes include: Child 7 yrs and under, Youth 8 yrs to 13 yrs, and Teen 14-18 yrs. Entry deadline is July 14 at the Extension Office.

NEED A DISPLAY BOARD FOR YOUR PROJECT?

Display boards are available in the Extension Office for \$3.50 each.

LIVESTOCK PROJECTS

LIVESTOCK RECORD BOOKS

Due Tuesday, July 18

4-H members **MUST** turn in completed livestock, companion, catch it and horse record books to the Extension Office by 4:30 p.m. July 18! The record book is required for completion of your project, even if you don't plan to show at the fair.

Books should be bound in a sturdy cover. 4-H covers are available at the office for \$3 or you could use a small 3-ring binder or report cover. Before turning in your book, remember to have your club leader sign the last page.

Since books are due before fair, please just estimate market and/or sale prices for your projects. Estimated market prices are:

Market Lambs: \$1.75/lb.

Market Goats: \$2.75/lb.

Market Beef: \$1.60/lb.

Market Hogs: \$0.60/lb.

All books should be closed out Sept 30th or the last day of fair, (whichever is the last day you have your animals). For your inventory pages, the beginning inventory should be dated Oct 1, 2022 and ending on Sept 30, 2023. Reminder that most market animals should NOT go in inventory since they are purchased after Oct 30 and sold prior to Sept 1. Raised animals should still be recorded in the animal purchase record since you are "purchasing" them from your breeding enterprise.

Remember to use the state **e-record**, it can be downloaded from the state 4-H website at www.colorado4h.org. Click the 4-H Programs and Projects tab and then select the project group. Be sure to select the correct age group. You can download and print the book to complete by hand –OR– complete on the computer in excel or pdf. For breeding projects, be sure to check that you have all required supplement pages listed under supplemental resources.

The books will be judged after fair and returned at our achievement program in October.

PACKER CERTIFICATION FORMS

Due Tuesday, July 25

A packer certification form (also known as COOL form) is required for all market livestock exhibiting at the fair **and** are required of all exhibitors (4-H and FFA). You will be receiving your forms in the mail in July.

With less than 30 days left to fair, please be sure to watch withdrawal dates of any medications or supplements used. You will need to list those on the form if anything is given between now and fair.

LIVESTOCK EXHIBITOR MEETING

Tuesday, July 25 - 12:30 p.m.

All livestock exhibitors and parents are encouraged to attend!

LIVESTOCK STALLS AT FAIR

Club leaders and FFA advisors: Please collect and turn in stall reservations for all livestock departments by July 18. It is extremely important that we get the number of animals coming to fair, not just the number of stalls being reserved. Reservations should include the number of head being brought to fair, the number of stalls requested for each species, and if a tack stall is needed in each barn. Reservations may be emailed to jamie.axtell@colostate.edu.

ROUND ROBIN

Round Robin is a livestock showmanship competition designed to challenge the winners of the intermediate and senior divisions of beef, sheep, goat, swine and horse. Two winners from each species/age division are eligible to compete. If you place in the top five of showmanship, please let the Extension Office know if you would like to do round robin. If the top two do not wish to compete, the alternate will be the next highest placing. If you win showmanship in two different species, you must let the office know which species you'll be entering. The deadline for entering is Thursday by 2:00 p.m. Round Robin is Friday at 8:00 a.m.

LIVESTOCK PROJECTS

LIVESTOCK WORKSHOP

Are you brand new to showing livestock and aren't sure what to expect at the fair? Bring your animals to the fairgrounds for a practice run during our "County Fair 101" session on Wednesday, July 12th. Sheep and Goats will work in the show ring between 6-7 p.m. and hogs between 7-8 p.m.

No formal program will be given but Extension staff will be on hand to answer questions, help with basic showmanship, and give suggestions for a successful fair. We will also have the scales open if you need to weigh.

For questions, contact Jamie at 345-2287.

FREQUENTLY ASKED QUESTIONS

What do I bring to fair for my livestock?

You'll need to bring your animal(s) and all of the supplies to keep them comfortable for the week. Don't forget bedding! The beef barn has sand supplied but the other barns will require you to bring your own wood shavings or bedding. No straw is allowed. Other things to remember include feed, feed pans, water buckets/waterers, a hose, extension cords, rakes, shovels, show supplies and fans or something to keep animals cool.

When do animals have to be at the fair?

Barns will open Monday morning and you can start bringing supplies and animals anytime following that. Your stalls will be assigned by club/chapter for the large barns so touch base with your leader to ensure you have space reserved.

Animals will need to be on the grounds before your species weigh in time (see schedule). No animals should leave the grounds until Saturday morning.

LIVESTOCK WEIGHT LIMITS

Market Lambs: 100-170 lbs
Market Goats: 50-110 lbs
Market Hogs: 220-300 lbs
Market Steers: 1050-1550 lbs.
Market Heifers: 1000-1550 lbs.
Poultry: Pen weight of 12-27 lbs.
Rabbits: 3.5 - 5.5 lbs/each

Animals outside of the weight limits will be allowed to show in an under/overweight class. Those animals will not be allowed to ship or sell.

LIVESTOCK SCALE

The scale will be available on Wednesday, July 12 from 6-8 p.m. This will be in conjunction with our livestock workshop. If you'd like to weigh at a different time, contact the office for a scale code.

PLEASE NOTE! Our scale is currently being repaired so it may not be available until it can be re-certified!

STALL FEES

Just a reminder that stall/entry fees are due for each animal you bring to fair. Fees are \$1/head or \$.50/pen for rabbits and poultry.

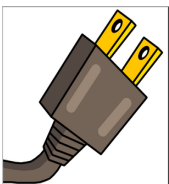

Stall fees will be collected at weigh-in and you will NOT be allowed to enter the scale until fees are paid.

If you are showing a breeding animal that is not weighed in, please pay your superintendent when you enter your animals or pay the fairboard attendant during weigh in.

CATCH IT CONTESTS

Next year's Catch it Contest applications are due Thursday, July 27 at 2:00 p.m. Stop by the Extension office during fair for an application.

CLOVERBUDS

Cloverbuds are encouraged to participate in our annual interview judging day. Cloverbuds can choose a topic that interests them and create a posterboard for fair. They would bring the poster and their record book to interview judging on Tuesday, July 18th. At that time, a "judge" will ask them a few questions about their poster in a small group setting. The interview schedule will be mailed out soon. Interviews are not required so if you are unable to attend, bring the poster and record book to our office the week prior to fair so that we can still display them for everyone to see.

Cloverbuds may also enter in any open class project at the county fair including our Fashion Revue. For more details about open class or fair opportunities, check out the complete fairbook at ecroundup.com. A letter will also be mailed to each cloverbud with a bit more information.

To pay tribute to our county history, a **display of historical barns** is being put together. 4-H AWARDS

Kim Kessinger Memorial First Year Member Awards

Outstanding first year member awards will be sponsored by the Kessinger Family. Applications/Nominations are due July 18 and the award will be presented during the junior livestock sale on Friday, July 28. Club leaders may nominate one or more of their first year members (8+ yrs old). Four criteria will be looked at:

1. Attendance at club meetings

3. Cooperative attitude
4. Project work

Members will also be recognized at the county level during the annual achievement program in the fall.

Sarah Eatherton 4-H Horsemanship Award

Friends of the Larry Eatherton family and the Washington County 4-H Council continue to sponsor a trophy and cash prize to recognize one 4-H member in the horse project who makes the best effort in four areas: attitude, club participation, improvement in horsemanship skills, and sportsmanship. Club leaders should submit nominations by **July 18** to the Extension Office.

Display Board Guidelines

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

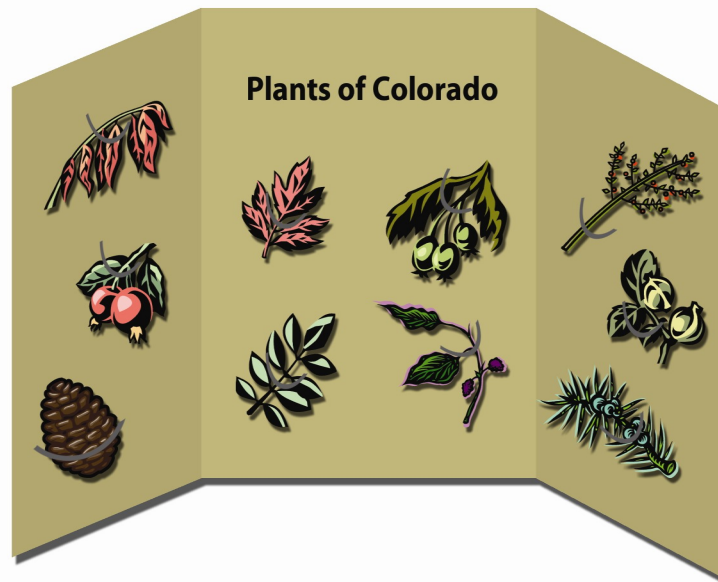

4'

SHAPE

Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

SPACE

Your display should only discuss one main topic. This will help it look neat and uncrowded.

TEXT

Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

SIZE

Display boards for the fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at the Extension office. No part of your display may extend beyond these boundaries.

ATTACHMENTS

Make sure pictures and objects are securely attached to the board. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can't stand or fold.

JUNIOR LIVESTOCK SALE INFORMATION

All exhibitors selling in the junior livestock sale must get photos taken for use on buyer thank you cards. Photos will be paid for by the junior livestock sale committee. If you choose to have additional photos taken, they will be available at your cost.

BUYER THANK YOU'S

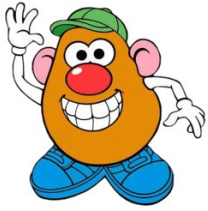

As mentioned above, you will be responsible for getting a photo taken for buyer thank you posters. These photos should be picked up during the sale and personally presented to your buyer as a token of your appreciation. It is also appropriate to present them with a personal gift at that time if you wish. After fair, you are also expected to follow up with a formal thank you card. Cards and thank you lists are available at the Extension office. Please do not mail the thank you as we'll need to verify that the card was turned in before your check can be issued. This is expected of all 4-H and FFA members selling through the sale.

SHOWMANSHIP RULE

Reminder, all exhibitors must show in showmanship class in the species they are selling in the sale. Any exhibitor who chooses not to show in showmanship in a specific species will not be allowed to sell in that species.
